

CYBERSECURITY LEARNING LABS

Opportunity for defense industry companies to gain assistance in developing their cyber security plans.

In an effort to assist the defense industry in becoming more resilient, South County Economic Development Council (SCEDC) has secured a consultant to aid defense contractors and subcontractors in developing their cybersecurity plans.

Interested parties must apply to participate. Note that the application process is COMPETITIVE. Space is limited and open to defense contractors and subcontractors only. Applications are due by January 20, 2020 and can be found at:

<https://www.southcountyedc.com/cybersecurity>
